OP OR OF A C O E

Dear Folks,

In an attempt to capture and retain the pleasant experiences of the past year of school, we have published this annual. It is the second edition to be published since 1930 and we hope that in the succeeding years they will continue the practice.

Yes, we wager there'll be plenty of quiet chuckles over the "queer" styles--and--perhaps a threatening twinkle will appear in your eyes as old familiar faces are recalled. Many moans will probably result from reading the curricula activities---remember those awful grades in algebra and that commercial teacher whom you never exactly "loved". But you wouldn't trade those memories for anything now, would you?

Yours,

THE BOOMERANG STAFF

P.S. We beg to inform you that there are probably many errors in this "manuscript," but--even the Japs erred.

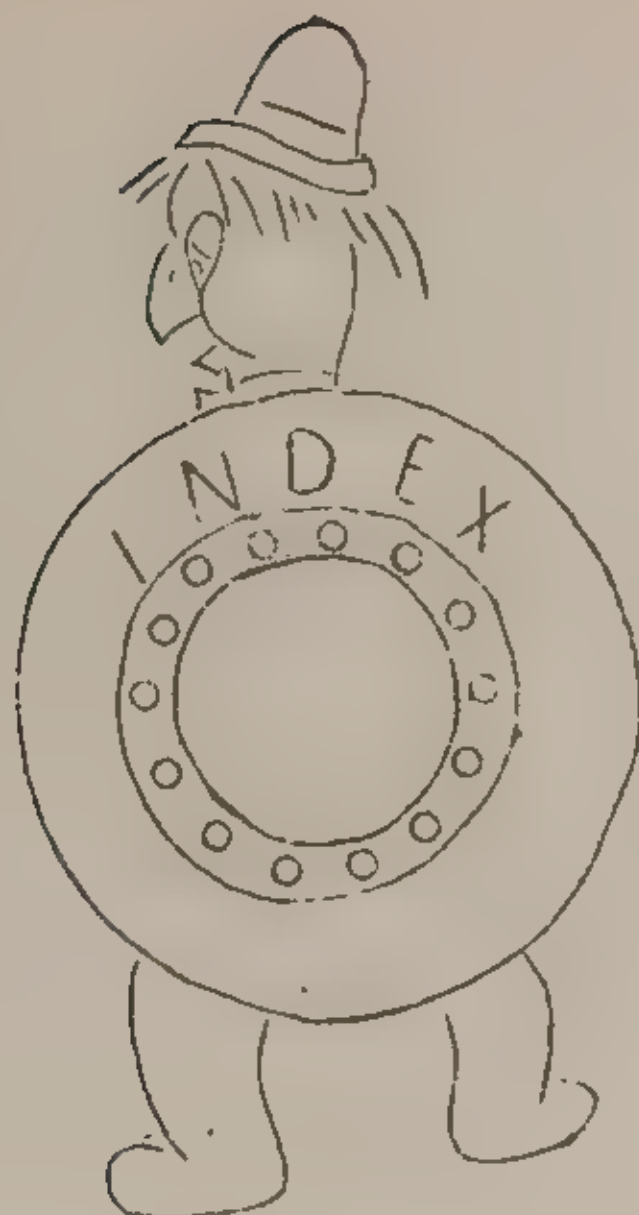

D E D I C A T I O N

In an endeavor to express our gratitude for their kind and considerate help during our school years, we dedicate this volume of the BOOMER/NG to--

EARL L. OLSON PRINCIPAL

Mr. Earl L. Olson, our principal, graduated from high school at Sycamore, Illinois. After working in Chicago for a year, he attended N.Y.S..C. at Delhi for two years. There he was captain of his basketball squad in 1923-24. He continued his education at the University of Wisconsin. After teaching for a year and a half at Woodstock, Illinois, in 1928 he returned to the University of Wisconsin, where he received his Ph.B. degree. Here, also in 1928, he was inducted to Phi Sigma Epsilon, honorary physics fraternity. As the result of summer study, he received his Ph.D. degree in 1934. He taught at Barrington and Libertyville before coming to Avon in the fall of 1943. In addition to being our principal, he teaches general science and physics. His favorite pastime is playing contract bridge.

MRS. RUBY DUFFY

Mrs. Ruby Wiley Duffy attended Irving High School and Hillsboro High School, where she graduated in 1921. She received her college training at Carthage College in Carthage, where she graduated in 1925. In 1931 and 1936 she took summer courses at the same school. She came to A.C.H.S. last year and teaches biology, plane geometry, solid geometry, advanced algebra, and social geography. The remainder of her time is spent as faculty sponsor of the "Five Stars" Club, sponsor of the senior class, and director of class plays. "Teaching is her job, housekeeping is her passion."

COMMERCIAL ARITHMETIC is a course in practical problems and business forms. Rapidity of calculation and correct use of fundamentals are stressed.

PLANE GEOMETRY is a foundation course for more advanced mathematics. The principles must be remembered definitely, but a mastery of the reasoning process and a complete understanding comes before any memory work. Memory work must clinch each set of proofs as the course proceeds.

ADVANCED ALGEBRA, SOLID GEOMETRY, and TRIGONOMETRY, each one semester courses, are offered. All three courses are really college prep courses. Advanced algebra is taught every year. Solid geometry and trigonometry are alternated.

The BIOLOGY course is taught in units. This system makes it possible to obtain specimens first hand. The beginning unit includes insects and fall flowers and fruits.

As soon as available materials are used, the units take up animal phyla in order. Insects are placed in proper classification at this point.

Immediately succeeding animal phyla is a unit on human physiology. This includes a study of foods and diets.

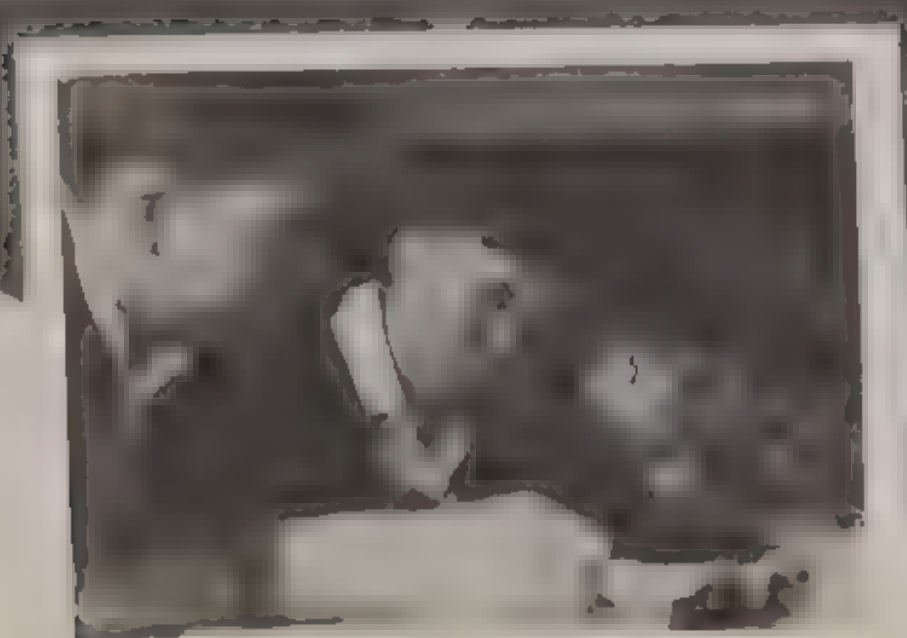

Plant classifications are studied last. This makes it possible to observe specimens again from nature as ferns, horsetails, mosses, and fungus plants. The study of spermatophytes made in the fall is now supplemented by the spring flowers.

Throughout the year, students read all pages in their text on the particular unit. Their keep folders in which they place material from other texts, their own readings and collections and a comprehensive write up of each unit.

SOCIAL GEOGRAPHY is a one semester course. The plan of the course is to study the world relationships, by noting a bit of history, geography, and cultural background of various nations.

VOCATIONAL
AGRICULTURE

VOCATIONAL AGRICULTURE

Mr. John Ewan, the "ag" teacher, graduated from Cuba High School in 1937, and received his B.S. degree from Iowa State College at Ames, Iowa, in 1941. He taught at the Avon Township High School for two years. He has been at the Avon High School last fall. His classes here are Agriculture I and II, while he is also faculty sponsor of the FFA chapter of the junior class. During the winter, he has classes in farm machinery repair and soil conservation for the benefit of the farmers in this vicinity. His mornings in Avon and his afternoons at London Mills. His hobbies are carpentry and photography.

MR. JOHN EWAN

There are thirty-two students enrolled in agriculture this year. There are eighteen in agriculture I and II and fourteen in agriculture III and IV.

The freshmen and sophomores in Ag II studied animal husbandry. Included in this was the study of poultry, sheep, hogs, beef, and dairy cattle. In studying dairy cattle, they learned how to test milk for butterfat. Since the agriculture department has the utensils for milk-testing, many interesting experiments were done.

The Ag IV class has done most of its work in the farm shop. In the early part of the year they studied painting and paint mixing. Two tractors were brought in and given a repaint job. Later the boys studied woodworking. They made bunks, a three-sow hog house, and several other things. They were done by the boys. Sheet metal work was studied after the woodworking unit was completed. Concrete hog waterers were made to sell to the farmers of the surrounding territory.

Both classes have accomplished very much this year. The boys have all learned much about farming.

HOME ECONOMICS

In Home Economics it is the aim of each girl to become skilled; in the arts of Homemaking, to understand problems which arrive in their lives and to know how to better meet their problems.

The Home Economics department is divided into three classes, Homemaking I with an enrollment of nine girls, Homemaking II with eleven, and Homemaking III with five. Each class has worked in various units such as food, clothing, child care, care of sick, grooming etc., to learn and practice these things which will enable them better to reach their goals.

Each girl in addition to her class work completed a number of home projects. This work helps to bring the home and the school classes together in the education of that girl. Some of these projects carried out this year by our girls were clothing construction, rearrangement of furniture, redecorating, embroidery, and canning.

MRS. LOIS TAYLOR

Mrs. Lois (Lee) Taylor graduated from the Avon Community High School in 1938 and continued her schooling at Western Illinois State Teachers College receiving her degree in 1942. She taught at Maple Grove Grade School and London Hills Community High School before coming to Avon. Here she teaches all the Home Economics classes. Is the assistant sponsor of the Sophomore class, and head sponsor of the F.H.A. Her favorite pastime is sewing. She is one of our new teachers in school this year.

Timbuktu: Gordon Ray, the cult - philosopher, has arrived here on his annual pilgrimage to seek the missing link between ape and man. We wish him the best of luck!

New York: Shirley Eaton has been appointed head of the diet kitchen at the John Hopkins Hospital.

A recent communique from Washington D.C. relates a new era of farming brought about by the experiments of Paul "Einstein" Potter and Giles Sailer. This invention provides for the cultivation of land by airplane. More ease for the farmer.

We just received word from the Democratic National Convention that their chairman, Emerson Huff, will be unable to attend the convention next week because of a serious argument which he had with opposing candidate Richard Higbee.

Senator Rosalie Perry and her maid Jane Mitchell are improving from their injuries which they received when Jane sideswiped Jim Jackson, head of the garbage department of Manley, Illinois.

Playboy Lowell Reihn and wife the former Jan. Farrar, are again in court concerning their activities at the Stork Club. This will probably cost them another million which will show no cent in their fortune. Their butler, Edward Foster, again showed up to bail them out. This makes the third time this month.

Betty Higbee McGee arrived from Berlin on the Queen Mary. She is returning to her home after having broken the Olympic twelve pound shot put record with a throw of 42' 5".

Hermion, Illinois: Mr. and Mrs. Burton Moon, nee Betty King, are expanding their "Topsy-Turvy" kindergartens. The reason for this expansion is their arrival of their third set of twins.

Hollywood: A coming social event is the marriage of Dale Howell to the movie actor Orson Wells.

Denver, Colorado: Ida Adolphson, Betty Schrodt, and Aureba Wright have opened a national correspondence school for Stenographers. They have a new system of Shorthand.

So-and-So: Mrs. Ruby So-and-So the former Ruby Wright is visiting her husband General So-and-So at Fort So-and-So.

CLASS PROPHECY CONT.

Robert Trumpy, termite exterminator, next month will bring his bride, Lana, the hyena from Lower Slobbovia, to this country. Everyone, please, wear gas masks!

Fiatt, Illinois: The director of music, Trink Merrill, today resigned when the Board of Education asked the chorus to sing "Sleep Kentucky Babe."

San Francisco: Norma Vernoy Donalison, today, returned from a round-the-world tour where she has been promoting the sales of her husband's new perfume, "Fresh Country Air" or "Farm Odor."

Virginia Cluzston McKinley, one of the foremost sales woman of the Ford Motor Company, left today on a business trip to the North Pole to promote the sale of cars to the Eskimos.

FOOTBALL

IF YOU TALK

The Trojans did not have a too successful football season; however, much was attained in the way of sportsmanship and character building!

The season opened with Bushnell and a 1 to 6 loss. Our team was inexperienced and small. Bushnell scored early in the first half and it wasn't until in the closing minutes of the game that the Trojans went over for their score. It was a pass off of the "T" from quarterback, Bricker, to the tailback in motion, Kemp. The team looked good for their first appearance of the year.

For the second game of the season our team journeyed to Cuba. It was a rainy day and definitely our team was at a disadvantage since they were running from a "T" with a man in motion. The Trojans scored early in the first period on an "off tackle" trap play with Bushnell over tackle and lateral line to Ruff who led out around 100 yards. Ruff ran for twenty yards and then the man in motion was held by the man in motion on this particular play. This play covered approximately 65 yards and was good for our only TD. Cuba came back in the second half and scored two touchdowns to win the game by a score of 13 to 7.

Macomb came to Avon for our next game and went home with an 8 to 6 victory. This was the third time that the Trojans had shown up well. At Macomb's game the only thing needed in one of these games was a little size in the backfield for those few extra yards at each point. Macomb scored on several long pass plays and won the game. Avon's score came when a player went over the line on a "T" plunge for 40 yards. Emerson Ruff played in this game on defense for the Trojans.

The next Friday Alexis was our foe and the boys beat them 24 to 0. Several reverse plays were used with much success as Trumpy ran wild for several long gains on his end-around. Bricker and Baker each scored twice on line plunges.

The all important Abingdon game arrived at the peak of the Trojans performance. This was undoubtedly their best game of the season even if we lost 7 to 0. Most of this game was played in Abingdon's own territory, as our Trojans had the ball within their 5 yard seven times but were unable to score. Only once did a Trojan get to the twenty yard line and that was on their touchdown run from the thirty yard line. It was during this game that Potter and Jackson played their outstanding roles on the line and respectively. These two boys were constantly moving the Abingdon line.

Our next three games were very disappointing. We were inflicted with injuries and inability to play games; however, the boys met the occasion gallantly. Rosville beat us 46 to 6 and Alamo 61 to 0. Our last game of the season was with Knoxville. They beat us 19 to 7.

Paul Potter, Jim Jackson, Emerson Ruff, Vern Bricker, and Jack Baker represented Avon as Little Six All-Stars.

Emerson Ruff and Vern Bricker were chosen team co-captains.

VARSITY BASKETBALL

SQUAD

BASKETBALL

Thirty-eight boys reported for basketball season after practice was under way two squads were formed. All seniors and most all of the juniors were placed on the varsity squad. Those who ended the season on the varsity were: Jim Jackson, Howard Foster, Bob Trumpy, John Wier, Don Orwig, Bud Alden, and Jack Baker. All these boys received varsity letters.

The junior squad consisted of Albert Doyle, Ralph Parker, Dudley Donaldson, Dean Campbell, Ray Collins, Charlie Lowell, Donny Myers, Red O'Hern, Leroy Williamson, Bill Crossen, James Lindell, Ernie Kemp, Martin Beck, Bob Randall, and Kenny Alden.

Jim Jackson played a consistent defensive game for the Trojans all season, and will be remembered for his spirit and drive. It seemed as though Jim was always to get a few points at that crucial moment.

Bob Trumpy was certainly one of our five this year, the "play-maker", then too, his defensive work was always missed when not in the line-up. Along with Jim, Ed was one of our most consistent scorers all season. Bob was a center but played in a forward position on offense.

Howard Foster, the third senior, will also be missed around school next basketball season. Although Foster isn't a regular starter, he was the sixth man and saw a lot of action during the season. All will miss his personality for his fine personality and willingness to work. We are wishing all three of you seniors, Howard, Jim, and Ed, the best of luck.

The three juniors on our squad are Don Orwig, Don Orwig, and Jack Baker. John was certainly the star of the squad and proved that he is a very good player. John's first season was a real one and he is a very good member of next year's squad. Don Orwig is a very good line-up about nine seasons and our first will be a very good one. Don definitely is his best player, so he is, for he surely can dump in the baskets.

Bud Alden made the starting five as a sophomore. He played in around the front and did a good job of rebounding. With more experience Bud will be a very good player for one of the forward spots in the following season.

Barney O'Donnell and Howard did a great job as managers. These boys were a great asset to the team even though they did eat candy during the basketball games.

GIRLS PHYSICAL EDUCATION

Girls P.E. Class is under the direction of Miss Janie Frank. Our P.E. Classes are held 7th and 8th periods. Warm days we play softball or take hikes. In winter we play Basketball. Miss Frank has given dancing lessons,

Much enthusiasm was shown in track this spring. Track aspirants who first came out for the winter sport in December were: Ray Lock, Dwane Black, Jim Jackson, Dick Higbee, Howard Foster, Emerson Ruff, and Harold McClure. Others that reported for track were Eldon Shultz, Helen Foster, Martin Moon, Bob Trumpy, Francis Cole, Dan Coupland, Albert Doble, Ray Carrico, Bill Croston, Glenn Reed, John Schrodtt, Dick Suter, Jack Baker, John Wingate, and Vern Bricker.

The boys journeyed to several large meets throughout the state and did very well. The track team is composed largely of freshmen and sophomores who did well and should be good track men next year.

The outstanding track men were: Howard Foster, Jim Jackson, Bob Trumpy, Dwane Black, Ray Lock, and Harold McClure. Albert Doble and Emerson Ruff should receive a lot of credit for their efforts in track.

CHEERLEADERS

Betty King
Trink Merrill

Our four cheerleaders have had two years of cheerleading in school as well as experience in the same in eighth grades. They have attended all of the games and backed up the boys in the home games. At our last Pep meeting, each of the girls received a small identification badge from the team to show their appreciation of the girls. At the same meeting the girls were also surprised with a large white wool blanket given to them by the cheerleaders. In each corner, embroidered in green, was the name of each of the girls.

Since all four of the girls are seniors we won't have them back as cheerleaders, but we do wish them the best of luck in the coming future.

CHORUS

CHORUS

Much interest has been taken in chorus this year. The Juniors and Seniors had thirty-six chorus members, the Sopromores twenty-six, and the Freshmen nineteen, making a total of eighty-one.

The first program was an assembly on Armistice Day. Readings were given by Senator Horn, Billy Dyer, Jack Brown, and Jane Mitchell. Jim Jackson led in the singing of the song of remembrance. Solos were sung by Trink Merrill, Vera Harrison, Bob Trumby, June Farmer and Dale Hensel, representing the chorus. The theme song was "We ride the storm."

The following were selected to represent our school at the District Contest in Oakesburg: Trink Merrill, Mary Ellen McVay, Vera Harrison, Bob Trumby, Jack Brown, and Daniel Hiett. Vocal letters were given to Dale Hensel and Dick Hiebee. Bob Trumby and Trink Merrill were given the rating. Jim Jackson, Trink Merrill, Mary Ellen McVay and Vera Harrison were placed in Group II.

The Girls' chorus was placed in Group I and Mixed chorus in Group II in the District Contest. The ones receiving Group I rating will represent the District Contest in Peoria May 3 and 4th.

The Fulton County Chorus Festival was held in Lewis-town, March 22nd. Our chorus joined with 100 voices in a program of fine music. Each school sent a special number. Avon was represented by Trink Merrill singing, "Will O' the Wisp" by Spross.

BAND

The enrollment for Band was somewhat smaller than usual this year. We had 36 students in the Band. During the year, the band has worked hard, and by giving programs of music, the city has attempted to arouse more interest in the music so that our ranks will be augmented by more students next year.

The Band met twice a week during the school year and participated in the following activities:

The first three months of the year were spent in rehearsing and rehearsing for the football games. During this time, Virginia Clugston was Drum Major, and John C. Marjorie Whistler, Adeline Rathington and Martha Rose were twirlers.

The band played for all but two of the home games, on which occasions inclement weather kept us indoors.

The Christmas Concert given with the Chorus was our next activity. The chorus sang the cantata "O Little Jesus" by Clokey for the first of the program, and the band played several Christmas Selections and novelties to complete the program.

Our next activity was at Centon on February 28, 1947, where we participated in the Fulton County Band Festival. Carleton Steward of Mason City, Iowa, was the guest conductor of six bands massed together in an orchestra of 300 players.

On March 2, 1948, Jackie Dwyer, Anita Dwyer, Ed Fandel, Marlene Mitchell, Norma Jones and Dale Dwyer competed in the District Solo and Ensemble Contest at Galesburg. Jackie won a first division rating with her flute solo and Anita came home with a second place rating in the flute quartet. Dale, Marlene, Norma and Ed won a second division rating with their clarinet quartet.

The Band entered the District organization contest at Galesburg, on April 6, and won a second division rating.

Our last appearance for the year was the Spring Concert at April 26.

THE STAFF

The "Boomerang" is an activity of the Typing II class. In the making of the annual we get much practice in typing, stenciling, and experience in running the mimeograph machine as we mimeograph all material and then have it bound.

Those on the Production Staff are Jane Grice, Kathryn Martin, Dale Hendel, Jane Mitchell, Vera Harrison, Corinne Buck, Ida Adolphson, Betty Schrodt, and Marjorie Davis. Our advisor is Mr. Douglas Cady.

The division sheets were drawn by Corinne Buck; the stenciling by Dale Hendel, Kathryn Martin, Ida Adolphson, Betty Schrodt, Marjorie Davis, and Vera Harrison. It was mimeographed chiefly by Jane Grice and Jane Mitchell. Of course, the class worked together whenever and whenever needed.

The pictures are of different members of the staff.

SENIOR

PARTY

September 22, 1945

Dear Diary:

Tonight it was pretty funny. A perfect storm of the Freshmen, now still is, and now to be the first. Tonight was the night of their first. The first of the first supper was served to us by some of the first. At six o'clock. After everyone had eaten, we had a dance at seven o'clock. Then--then comes the time of the first. We were waiting for. Junior Parker, John. After that, Rehm took over the entertainment. The first subject to be called was Glenn Schrodt. During the day, the first man had to wear a certain kind of costume. The first of their pants on backwards. The first of the first had to wear lipstick, a woman. The first of the first girls had to wear shorts, a woman. The first of the first hair on top of their heads. The first of the first girl were handcuffed. The first of the first together. Well, as I said, the first of the first stage, and we could all see. The first of the first was expecting something. The first of the first cooperate, so we had to. The first of the first what he and Martha. The first of the first know, of course, like. The first of the first stemmed a bit. The first of the first, "Well, the first of the first the restaurant, then we went. The first of the first cream cone, then went back to school."

Our next study was Donna Shultz. First folded. Junior told her she was going to kiss Stone." So when she leaned over to kiss the first of the first's surprise, Junior told her she was going into Donna's face and did it. The first of the first ses.

Next came the star of the program. Betty Green. and did the boys. The first of the first for Betty Green turned out to be the first of the first dressed in a South Sea Island costume. The first of the first barefooted. Mary Liss. The first of the first all really felt that we were on some beautiful South Sea Island.

Well, after that we found the first of the first nice. Ralph Parker, also. The first of the first Around Me Honey" to Margaret. The first of the first be actions to put feeling. The first of the first groups were musically. The first of the first physical entertainment can be nicely. The first of the first

SENIOR PARTY CONT.

Ernie Repp had a magazine fight. Now there's a catch to this-----both of the boys were told that they were to be blindfolded, but Martin wasn't. They were told to start socking, naturally Martin got the best of Ernie. Ernie found out the joke and took it in good humor as any A.C.U.S. student would!

Miss Janie Frank received a surprise when she was handed her own tapping shoes and asked to put them on. Then Mr. Royce Davis was asked to come up and play one of his great pieces that he had arranged. It turned out to be "Three Blind Mice." It got an "encore". We all liked it very much.

Then came the thrilling romantic part of the program. Bill Crosson, Howard O'Hern, Larry Williams, and James Hendel were asked to come on stage, also Elsie McVey, Annabelle Poole, Martha Mitchell and Jackie Jones. The boys were asked to pick out the girl they would like to have kiss them. You should have seen the girls blush!!! Each boy, except Jim Hendel, was blindfolded. Jim was taken off stage and came back with a lot of firstick. Yes, you guessed it, he kissed each of the blindfolded boys. Naturally there wasn't any resistance! After the blindfolds were removed Hed O'Hern got suspicious. He finally told him that Jim kissed them instead of the girls.

It seemed that "Skip" Snick's seat kept sliding over toward Roy Woods. So Roy was asked to give a little discussion on "Skip." Roy said, "Well, huh, she's a real nice girl and I like her a lot. The other day she leaned over to talk to me about algebra, and her desk fell over. I Don't know just what she wanted me to do but--well, Skip's a nice girl."

We then had a relay--Morris Jones and Rosalie Perry, a senior, were each given a peanut to push across the stage and back. They looked like a couple of pigs pushing them. We were afraid they would look the same way after they got up from the floor.

Mrs. Lois Taylor, our Home Ec. teacher, gave the girls some good advice on how to use make-up. Naturally there had to be a guinea pig, so Francis Cable got the works! Golly--Beverly Allen and Shirley Anderson, also a couple of juniors, had to take off their shoes and wade in big pans of cooked macaroni in their bare feet. Golly!!!

And then we had a floor show!! Whoo!! Martha Foster, Caroline Allen, Lois Myers, gave us a dance free and all--we won't say it was a professional job but with a few practices they might be able to make the Chicago Hall of Fame----or something!!!

SENIOR PARTY CONT

The next part of the program was a contest. It was going to be very nice. Mildred Browne was asked to give a presentation, "what was the date of Pearl Harbor?" Of course, she said, "December 7, 1941." So she was given a pretty big prize. Janie asked her to open it. Guess what it was? A stinky old dead mouse!!! And she even held it up by the tail so everyone could see it!

A senior girl was asked to come up; Martha Foss read her services. With the closing Carl Beverly sang "Sweet Dreams Sweetheart", to Martha.

This was the end of the program. It then danced until ten, when the busses left. A very enjoyable evening was--or was seemed to be spent by all.

Good-Night Dear Diary

JUNIOR PARTY

December 14, 1946

The Junior Class had their Christmas Party tonight. The study hall was decorated in the Christmas theme. In the middle of the study hall was a large four-foot tree, beautifully decorated Christmas tree. At the top of the tree, on the stage curtain was a large star, on which was a snow. On the piano were two red and white striped stockings, green and red berries around the tree. On the blackboard were two large holly leaves. On the blackboard were holly leaves of evergreen or holly leaves. Across the top of the blackboard. Of course, the word "MISLETOE" was "MISLETOE" everywhere, so all the boys had a chance to kiss their girls.

Our basketball game with Roseville was the main entertainment that evening.

After the game we had a dance. After the dance we danced an hour. At the close of the party we sang Christmas carols.

SOPHOMORE CLASS

PARTY

The sophomore class of Avon High School was host at an all school party Friday night, March 9. The decorations were planned on a "Candy" motif. A pole running from the ceiling to the floor was decorated like a peppermint stick and from this, red and white streamers were stretched to the east and west walls. In many places around the room were cleverly designed candy canes, gum drops, ice cream cones, suckers, and gingerbread men.

The main party started at 6:30 P.M. with the showing of two movies.

At 7 P.M. the dancing began; later a grand march was led by Mr. and Mrs. Royce Davis. The dancing continued with progressive and special dances for variety until 9 P.M., when the main event of the evening started with a floor show.

Addie Ethington started the program singing "Candy" with Mary McVey accompanying her. The second act was Barney O'Donnell, dressed in an old fashioned bathing suit, and with Skip Smick's cat, "Clem", sang "By the Sea." Next in the show was Dick Suter and Eddie Warren dancing the ballt with Mrs. Hatch accompanying. Ray Carrico and Bud Alden gave a vaudeville act which closed the floor show.

During the evening "coke" and sandwiches were sold. A two minute speech contest on various subjects was held with Jack Baker receiving first prize and Roy Woods second, both prizes being suckers.

The party ended at 10 P.M. and we all thanked Mrs. Duffy, who was acting as principal in the absence of Mr. Olson, in helping us make our party a success.

Committee chairmen were: Decorations, Roberta Foxall; entertainment, Mary Ellen McVey; refreshments, Anita Moon; ticket, Bud Alden; clean-up, Ray Carrico. Mrs. Lois Taylor and Fred Hall were the sponsors.

OF OR OE S OH M OE N OP AD OR U Y

The Freshmen Class sponsored an Easter Party April 19. The decorations were centered around the Easter theme of rabbits, Humpty Dumpty, smiling face eggs and pastel colored balloons. Colored streamers were hung from the ceiling.

At 7 P.M. dancing began with progressive and special dances. Mr. and Mrs. Royce Davis led a grand march which helped get things under way. At 7:30 P.M. the boys were called up to the stage to try their skill at making new Easter hats. A big box was brought out with all the needed materials. When the hats had been carefully redesigned, which incidentally had everything from lace ornaments to earrings, they paraded the dance floor, and dancing continued.

A very entertaining floor show was given at 8 P.M. The show opened with a humorous sketch of a "mean old teacher and his students". Elsie DeVries sang "Oh You Beautiful Doll" while Glen Schrodt and Ronnie Patterson danced with a rag doll. Esther Smith accompanied at the piano. Two of Miss Frank's dancing students danced and did acrobatics. The show ended with a stunt on hillbilly life.

Sandwiches and "cokes" were served during the evening. Another grand march was led by Mr. and Mrs. Davis. At the head of the line favors were passed out. A beautiful paper hat was given to the girls and the boys received paper hats.

The party came to a end at 10 P.M. with congratulations to the Freshmen on their first school party.

H. H. A. PARTY

The Home Ec. Club was host to the H. H. A. Friday, March 1, 1946. At six o'clock everyone met in the Home Ec. room. The girls had prepared hot dogs (with everything on them including onions,) potato chips, and cokes. After the eats everyone went into the study hall where they enjoyed singing songs. When seven o'clock rolled around everybody jumped into the bus to go to Abingdon to the skating rink. The skating lasted until 10:00.

Some of our teachers really got around the floor, and a few on the floor too.

We felt sorry for some of the kids and teachers the next day. We hear that Mr. Hall and Mrs. Cady were pretty stiff for a few days. Mr. Hall said, "I could hardly get out of bed." How about some of you other kids? How you stiff?

Before leaving the school, some of the girls made up hot dogs to take on the bus to eat on the way home. No doubt they tasted pretty good after all the exercise everyone went through.

We are sure that everyone had an enjoyable time, even with all of the spills and falls.

HARVEST

BALLO

The second annual Harvest Ball was held October 26, 1945. This was also our Homecoming football game with Alamo.

There was a contest between the classes for the best float. The Freshmen won the prize which was five dollars. Frances Cutler won the prize for the best decorated bicycle in the grade school.

The parade started in front of the school at 2:00 with the drum majors, the majorettes, and the band leading the parade of floats. They went through the different parts of the town before going to the athletic field. The different classes and clubs worked very hard on their floats which were all very well done.

Before October 26, there were two girls elected from each class to be candidates for queen. The Queen was selected by the tickets at the door that night. The students held their election in the afternoon. Those selected were:

SENIOR CLASS: Betty King
Trink Merrill

JUNIOR CLASS: Corinne Buck
Jane Grice

SOPHOMORE CLASS: Betty Hite
Lois Smick

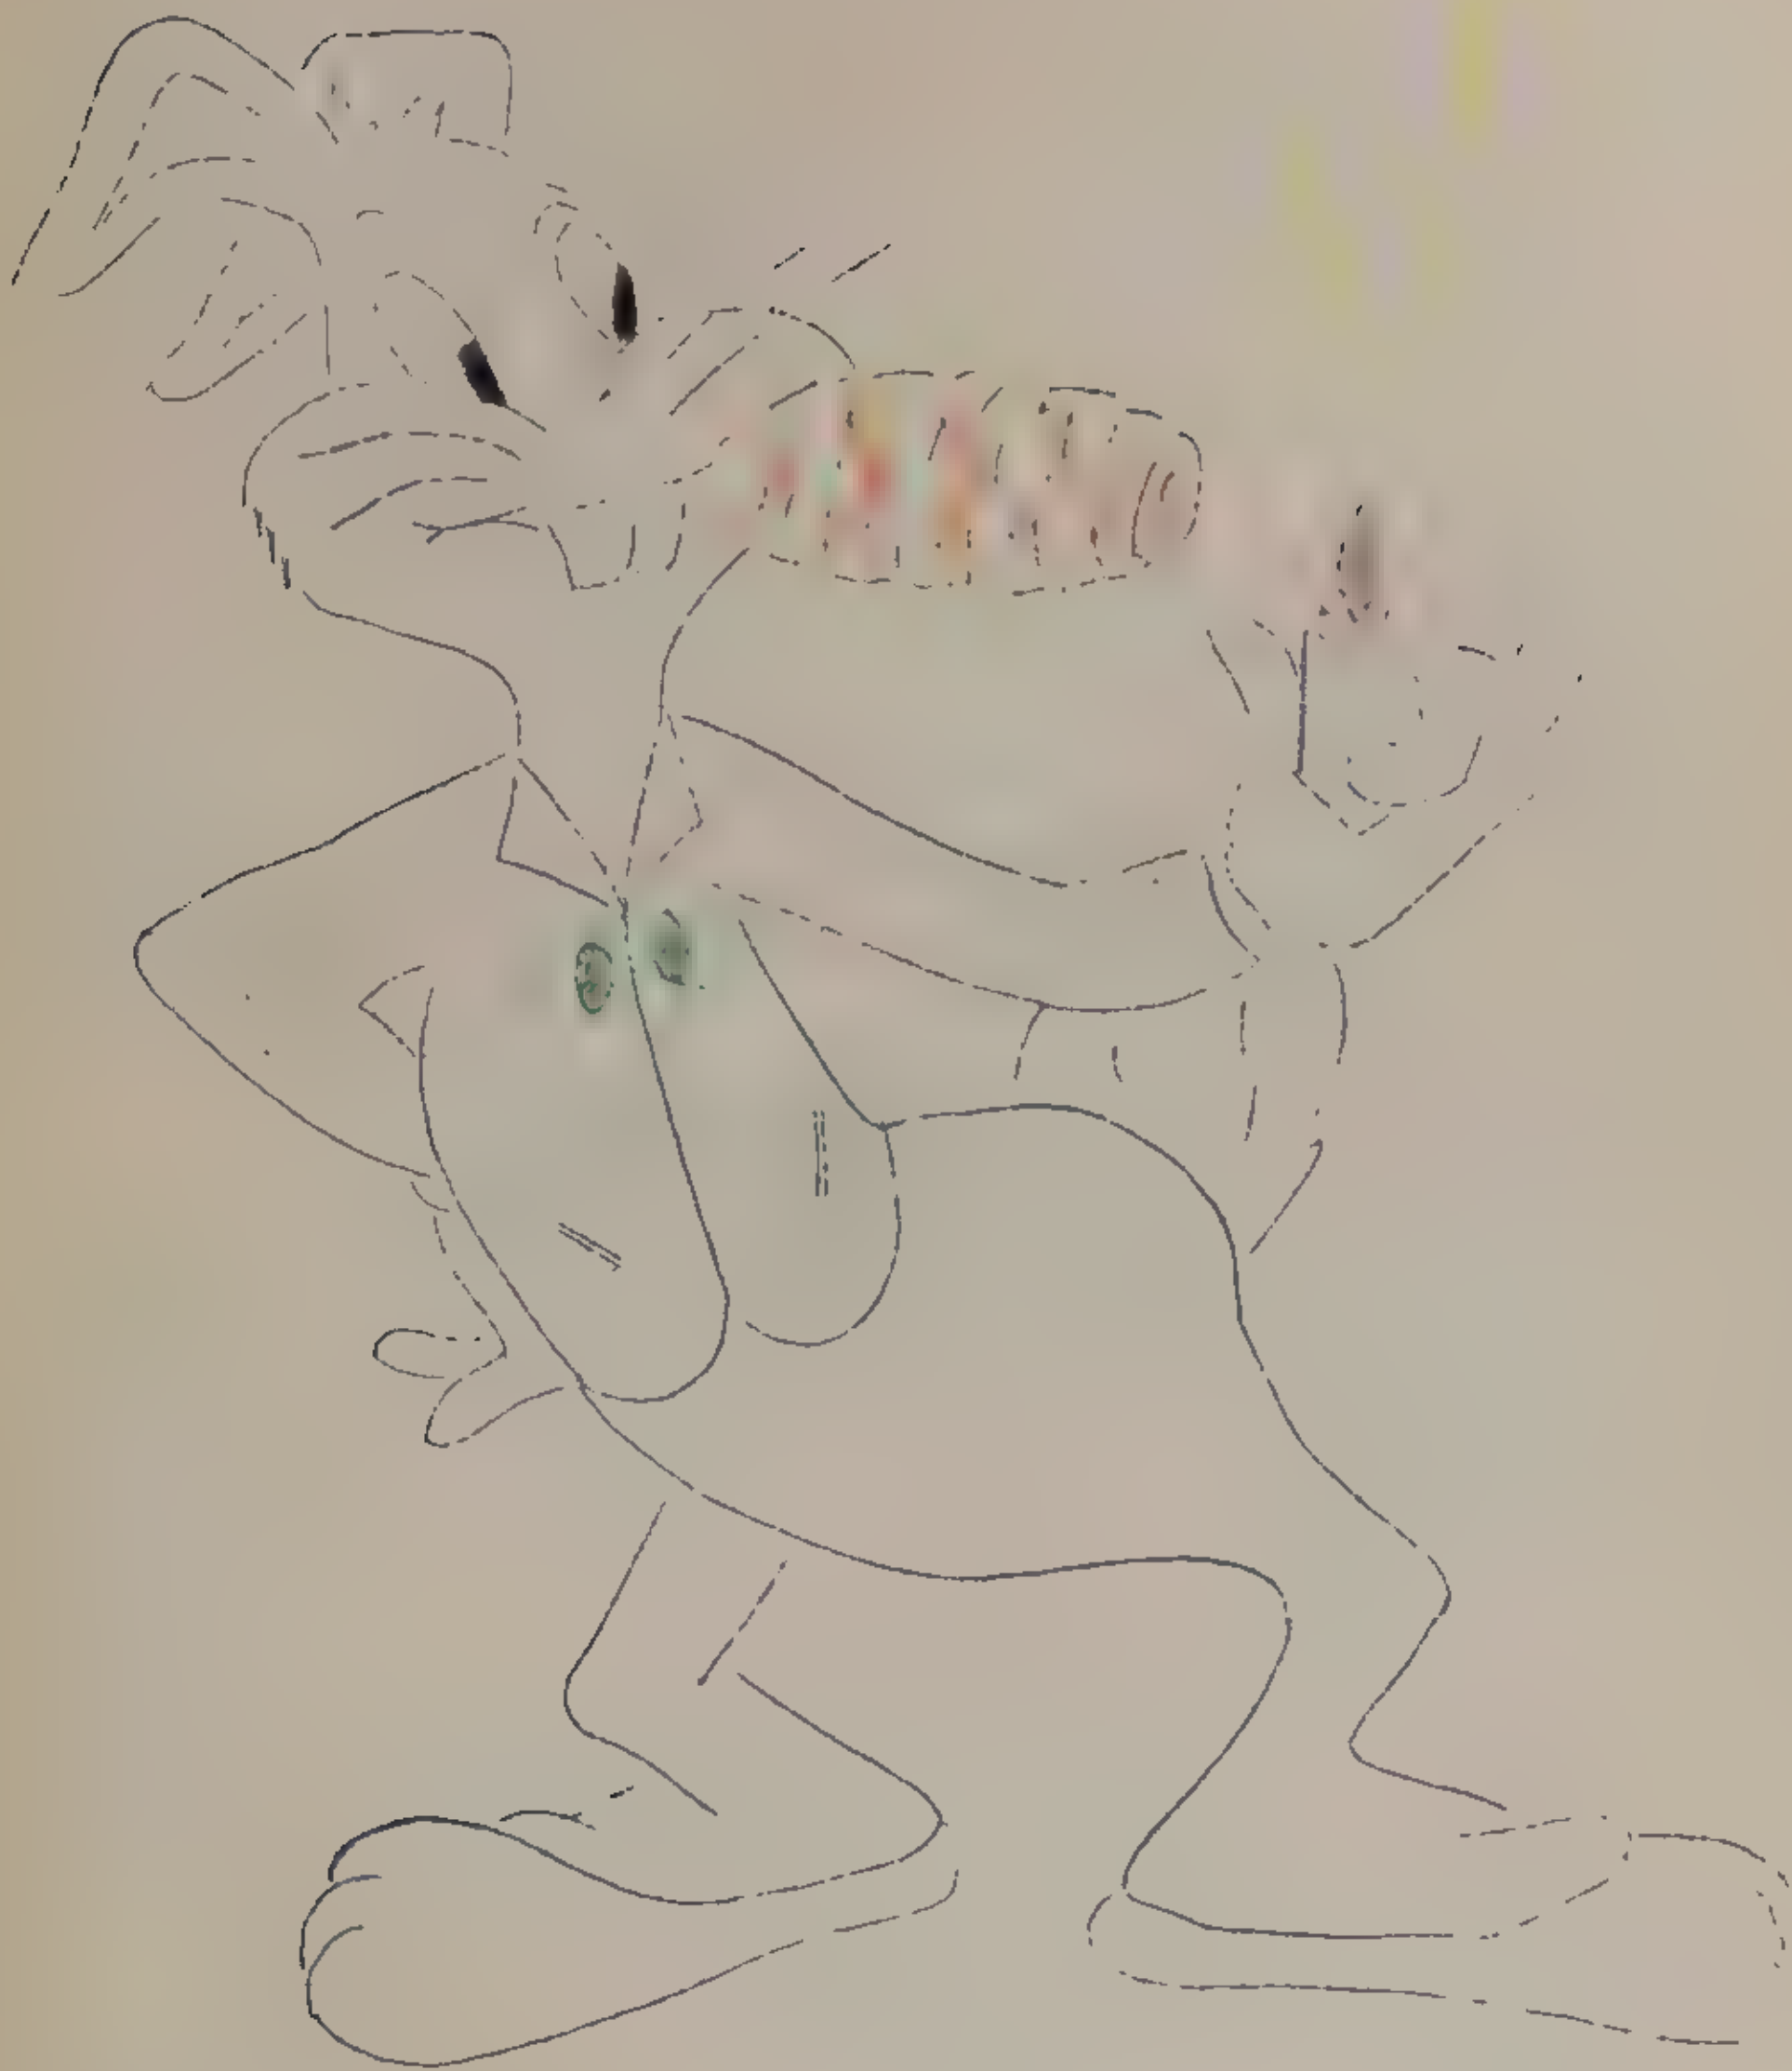

FRESHMAN CLASS: Norma Jones
Annabelle Poole

Betty Hite, the lucky girl, was crowned Queen. Her crown was made of chrysanthemums. The other candidates were given large chrysanthemums to wear to the football game and to the dance if they wished. The queen was crowned by the president of the F.F.A., Dick Hickey. The girls walked into the auditorium on the arms of the F.F.A. officers.

After the Queen received her crown, she and her escorts led a Grand March around the study hall which was attractively decorated in an Autumn fashion.

From the lights on the ceiling wagon wheels were hung. On the spokes of the wheels were lanterns with electric light bulbs in them. Corn was also hanging from them. Corn stalks were arranged on the stage with Jack-o-lanterns.

The Party closed at 10:00. Everyone went away happy from the events of the evening.

C E U S

The F.F.A. is made up of a group of boys who are taking agriculture. It is the future aim of all these boys to become farmers or to be connected with farming in some way.

The F.F.A. has accomplished many things during the year. They sponsored the Harvest Ball, which was a great success. Also during the year, they made cement waterers.

A Parliamentary procedure team was organized and won the Sectional Parliamentary procedure contest. Our president, Dick Higbee, also won the public speaking contest that day. The F.F.A. also made a contest out of selling garden seeds. They divided into two teams. The losing team gave the winning team a steak supper.

The Parent and Son Banquet was held March 25. The boys gave an interesting play on how not to conduct a business meeting.

Almost all the plans that were set at the beginning of the year have been accomplished. We hope to have a bigger and better F.F.A. next year.

The F. H. A. was organized in the winter 1945 in the Home Economics Room. The following officers were elected.

June Farrar - President

Betty Higbee - Vice President

Wanda Combs - Secretary

Jane Grice - Treasurer

Pauline Lashbrook

Marjorie Davis

Reporters for school newspaper and town paper.

Other members are Patty Butler, Ila Myers, Martha Ross, Vanette Stevens, Betty Schrodt and Marielle Lincoln. Projects carried out were reports and demonstrations on topics concerning Home Ec. At Christmas time, ten dollars was donated to Mayo Hospital for cures. A skating party was sponsored for the F.H.A. and was well attended. The officers of the club attended a Rally at West Perria High and brought back ideas to the club. They hope to entertain the mothers of the girls as a closing project.

The T. N. T. Club which means Trophies and Trophies is made up of all the boys that have made a letter in athletics and the cheerleaders. Last year they decided there were not enough in the club so there are two members from each class elected each year.

The T. N. T. makes money by selling coke and hot dogs at the games. You have probably seen the new football suits the boys have been wearing. The T. N. T. bought them.

Our sponsors are Coach Gady and Janie Frank. The officers are Paul Potter, Bob Trumpy, Betty King, and Trink Merrill.

CAVEENED/ED

AUGUST

- 27--Football practice started today. 'Stub' sure gave the boys a work-out.
30--Freshmen took their tests today. Kind of hard weren't they, kids?
31--School began for everyone. We're kind of glad to be back even if we do gripe some.

SEPTEMBER

- 3--First full day of school. Those 'Freshies' sure are going to be fun to initiate, even if there are only 25 of them.
6--We get our study hall seats today.
7--A whole week gone! Am I tired? Gee, those teachers and their assignments.
12--Some of the classes elected their officers today.
13--The cheerleaders were elected today. Yeah team!
14--The game with Bushnell ended in a tie of 6 to 6. The band marched, and they sure looked swell.
17--Another senior violates the school rule. Congratulations Barb!
18--The seniors are talking about the initiation of the 'Freshies.' Poor kids.
21--Another short day of school. Game with Cuba. The score was 13 to 7 in Cuba's favor. The first issue of the new school paper came out today. Who made all those errors?
27--The Student Council had their first meeting of the year.
28--The Freshies had a bad day with initiation both in the day-time and in the evening. The party was a success, especially all of the food.
29--Clean up that kitchen Seniors!

OCTOBER

- 2--The Home Ec. Club had a meeting today.
3--The Seniors tried out for their play 'Pride and Prejudice.'
5--Today is a wonderful day. The team won the football game with Alexis. The score was 24 to 0.

OCTOBER CONT.

- 8--There has been a lot of talk, and also secrets, about the floats for the Homecoming Parade and from what I hear there are to be some very good ones. You better be deciding what girl you are going to nominate for Harvest Queen, too.
- 10--Six weeks tests! Now I'll know enough to study!!
- 12--Teachers institute today--th before no school. Football game with Abingdon, I guess the vacation isn't a real one with the team so well because they lost the game. Sorry!
- 15--Now is about the time the Seniors are taking their Graduation Pictures taken--be sure to smile! We hope they will graduate!!
- 17--Report cards again! Did I really get an "A"!!
- 19--I wonder why our Big Boys basketball team is unable to play--but that all goes with the flu, I guess. Better luck next time, team.
- 25--What is causing all the secrets lately? Those floats are a lot of fun (and work) aren't they?
- 26--Homecoming at last! The game with Abingdon in the afternoon was in their favor but still it was a good game. Our congratulations go to Betty Little for being crowned queen.
- 27--we can see that is the new yellow building soon! It looks like the "Cemetery entrance" in front of the school. It's very true, don't you think?
- 31--After tonight we expect snow! "Stop" watch where you put those Stop signs!!

NOVEMBER

- 3--School began at 9:00 and with the game out at 11:00. The game with Knoxville. We were a bit hungry at that time.
- 5--Some kids may consider themselves lucky to get to ride on the new school bus which came today.
- 7--The Seniors are dashing around seeing about costumes and other last minute things for their play. Be sure to come.
- 13--Tonight is Dress Rehearsal for senior play. To your list, kids.
- 13&17--Senior Play. The play was very good and they had all houses both nights.
- 22--Six weeks are over and our vacation began! Don't eat too much, kids!!
- 23--Our first basket ball game of the season with Prairie City. The score was 44-40 in their favor.
- 28--Report cards again!! Oh!! These kids!!
- 30--Sargeant Kent talked to us today about safety on the highways. Martha Davis's birthday--nice to be remembered, isn't it. Game with Vermont.

DECEMBER

- 3--Mrs. Duffy was absent from school today. There was a Library meeting. The T.N.T. Club held their regular monthly meeting.
- 4--The team entertained the London Mills five here tonight. Although London won by a two point margin everyone enjoyed themselves immensely.
- 5--The second team game at Ellisville held a very nice victory for our team.
- 6--All English classes had a movie today--"Old Scrooge". It certainly put everyone in the spirit of Christmas.
- 7--The conference opener with Knoxville was called off because their schools are closed due to the flu epidemic. We have a lot of students out of school, too.
- 10--Mrs. Davis is out with the flu today. The Junior class decided on their rings today. Nice looking kids!
- 11--Farview and Avon played tonight, with our boys having the small score when the horn blew.
- 12--A lot of the kids have gone Christmas shopping and skipped school. Aren't they bad?
- 14--Roseville and Avon game showed the boys holding a very strong team down. Junior school party very nice kids!
- 17--The last week of school before vacation. So all the teachers give tests, but we don't mind so I keep telling myself.
- 19--The band and chorus gave their Christmas program. We had a good crowd even though the weather was bad. And the program was very good.
- 20--The team and some of the followers journeyed to Alledo for a Little Six conference game. The team lost only by five points so you know it was a good game.
- 21--Last day of school. Merry Christmas Everyone!!
- 27--The varsity went to Corpus Christi gym to play in the invitational tournament. We drew Macomb High and had a really rough game on our hands. The boys did fairly well though.
- 29--The team played Williamsfield at 10:30 this morning and we won!! Everyone was very HAPPY. Tonight at 6:30 we played London Mills. The fellows were awfully tired so ~~maybe~~ that accounts for the loss by such a large score.

JANUARY

- 3--Back to school to start a 'Happy New Year'.
- 4--One of the buses went to the basketball game at Eldon and we really had a good cheering section to back the team.
- 7--The second team motorcoo to Smithville and came home with a win of 14 points.
- 8--The seniors gave much thought to their class and home today. They also selected their Commencement invitations and cards.
- 9--Our second team went to Ellisville for two basketball games. Although they played hard, Ellisville won by a small margin.
- 11--We played Alexis here and won by a score of 20-19. Our second team also won by 1 point. The score was 1-1. Nice game fellas!
- 15--We played Cuba over there. They won with a score of 24 to 31. Good game anyway kids!
- 16--Study for those tests kids!
- 17--Semester Tests
- 18--Semester tests again today. One of the best things about semester tests is that you know the time until the next semester.
- 21--'B' team played Ellisville at London Hills in the Fulton County Tournament. Ellisville won by nine points.
- 23--We played Ipava at Cuba in the County Tournament. We won by a score of 31-25. Keep up the good work tonight kids.
- 24--We played Fairview tonight and won!
- 24-25--Again the buses went to Cuba. The team really had good support.
- 25--This is the third night of basketball at Cuba. Tonight our opponent was Cuba. Although the boys played a good game they lost. The score was 41-27.
- 26--Our boys played a few games in the tournament. Tonight was our last game. Farmington was our opponent. The score was 17-40.
- 29--We played Prairie City there and won by a score of 33 to 36. Keep up the good work boys. We're all cheering for you!

FEBRUARY

- 1--Although the boys played hard we lost to Roseville 49-37.
- 4--Tonight we played the game with Knoxville but lost 39-62.
- 8--Aledo came down to our gym with much spirit although our boys played hard we came in behind. 29-62
- 12--No school today because of Lincoln's birthday.
- 15--We played Chardon tonight and won by a score of 37 to 33. That was really a game!
- 18--The band took the bus and went to Canton to participate in the Fulton County Band Festival. They enjoyed it very much.
- 22--The boys motored to Alexis to win over their team by a very small margin of ONE point. 32-33
- 23--The seniors sponsored a dinner dance for the seniors, their guests, the faculty and their guests. A very enjoyable evening was spent by all.
- 25--The vocal concert was well attended and was greatly enjoyed by all.
- 27--We lost to the Macomb "bombers" in the Regional Tournament.

MARCH

- 1--F.H.A. -- F.F.A. had a skating party. What fun, even if some people can't stand up on skates.
- 6--Oh those report cards! Didn't have many classes because of pictures being taken for the annual.
- 8--Sophomore party tonight. We really enjoyed it, kids.
- 9--District Music Contest in Galveston. You did all right kids, bringing home first and second. Good luck to you at the sectional!
- 14--Jim Jackson and "Stub" Cady went to Champlain to the state finals for basketball.
- 19--Dick Higbee represented the Art Department at the District speaking contest at Rushville. He received second rating. Congratulations, Dick.
- 22--The chorus members journeyed to Lewistown for the Fulton County Chorus Festival. More fun!
- 28--The county nurses gave smallpox vaccinations today. Oh, my arm!
- 29--This ends a most exciting week! Explanation: Mrs. Duffy has been our principal.
- 30--Mr. Cady and the track boys went to the Oak Park Relays.

APRIL

- 1--No school today.
- 2--Vacation continued. We hope they never get the water main fixed.
- 3--Back to school. More work!!
- 6--Boys and Girls went to Galesburg to District Music Contest. What a day all these kids to run in to.
- 10--Track Meet at Knoxville. They won, tough luck boys.
- 11--Senior Class practiced their play in front of the Study.
- 12--That extra practice will help a lot.
- 12--Senior where all the Juniors were today?? Couldn't be sleeping could they? By the way the play went over with a bang with a full house.
- 13--Play again tonight. These poor Juniors. Track boys went to Geneseo Relays. Jackson and Baker brought home a ribbon apiece-we're proud of you guys!!
- 17--Track Meet with Macomb, Roseville and Farmington here. Our boys didn't do so good but maybe they'll have better luck next time. Here's hopin'!
- 18--Our Track Team went to Alexis today. There were eleven schools participated and we got second place.
- 19--Today is "Good Friday". Since we had a school when the water was off we went today to the Senior Prom. The menmen had a very nice party. The girls had a very nice party. They carried out in the Easter parade theme.
- 25--The Girls' Chorus is practicing hard for the Sectional Contest in Peoria the fourth of May.
- 26--Galva Relays were tonight. Baker came in fourth in the mile. Mr. Davis and the Band had their Spring Concert this evening and it was very well attended.
- 30--Springdon, Bushnell and even Track meet at Peoria. Springdon won and we came in second.

MAY

- 3--Bob Trumpy, Don Elliott and Jackie Luger went to Peoria to the Sectional Music Contest.
- 4--The Girls' Chorus went to the Sectional Contest at Peoria.
- 7--County Track meet at Lewistown.
- 11--District Track meet at Peoria. Senior-Senior Prom.
- 14--Little Six Track meet at Knoxville.
- 19--Back to school.
- 24--Commencement. Good luck to all the seniors!!

JOKES

DOODLES

There was a young lady of Sian,
Who said to her young lover, Kian:
"If you kiss me, of course --
You will have to use force --
But I bet you are stronger than I am."

Jackson: "To cease smoking is the easiest thing I ever did.
I ought to know, because I've done it a thousand times."

Witness: "Your honor, I noticed this man was led
about as he walked, but I wasn't sure he was intoxicated un-
til I saw him put a penny in the pocket of his North
Street, look up at the clock on the Presbyterian Church, and
say, 'Gosh, I've lost 14 pounds.'"

Junie F.'s Farewell to Paul Potter:
"So long, Tuts, keep your chins up."

Love is like an onion,
You take it with delight;
And when it is gone you wonder
Whatever made you bite.

Baker: "A conversation with a woman who is a normal who
why, how, when, and wear."

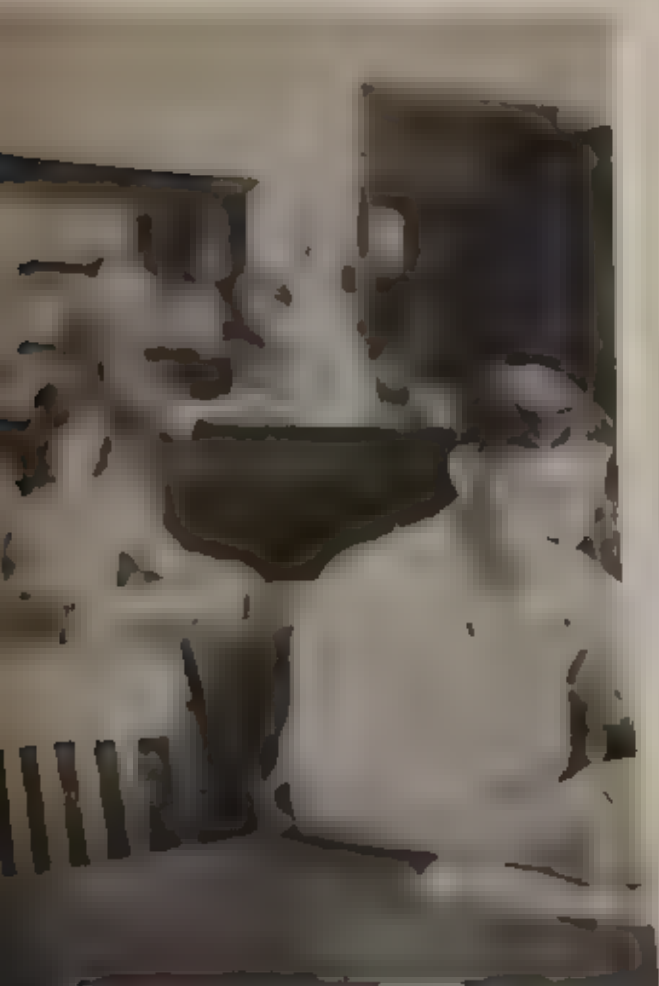

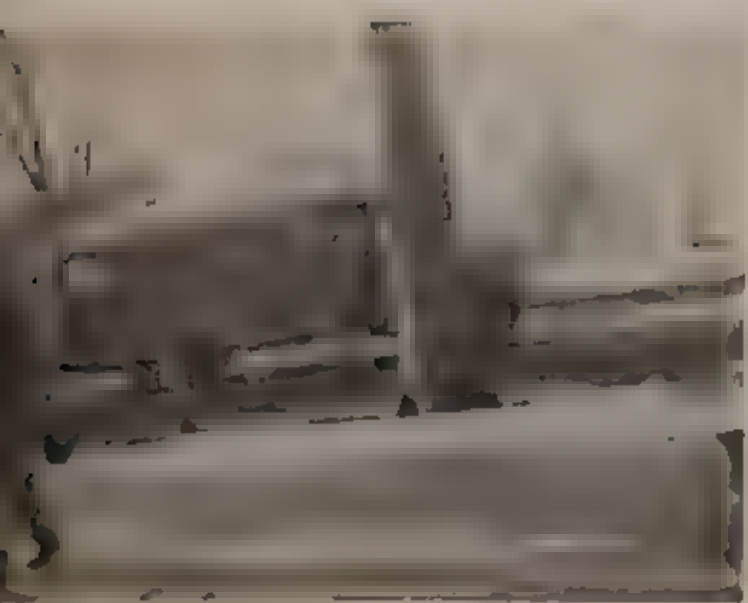

What made you late?
Held up at the river.
How was that?
The ferry man owed me ten dollars and wouldn't come across.

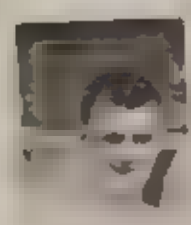

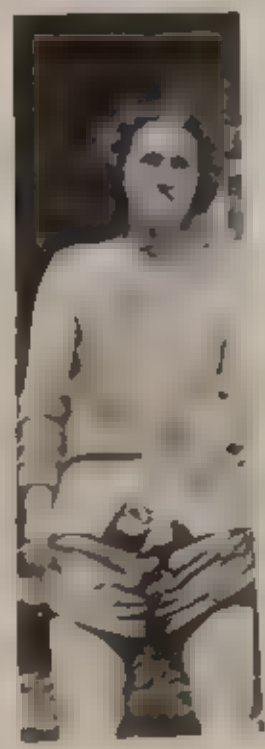

We over-heard "Squirt" say as she came out of the show,
"That show was so poor it is hard to believe it was ever re-
leased."

Dud replied, "It probably escaped."

That girl winked her eye at me.
What followed?
I did.

Alden quotes after a basketball game: "I'm in the punk of
condition."
